Welcome.

Outdoor Society specialises in the Design and Construction of outdoor spaces. We are excited that you have selected us as professionals to embark on this project. For further information about us and the Design and Construction Process please visit www.outdoorsociety.com.au, where you will find many useful documents and articles in our Blog section.

Why complete this questionnaire?

To best deliver to our clients requires a deep understanding and relationship, so that we may completely understand and form a holistic view of the vision and requirements, encompassing all relevant aspects that can influence a particular project.

Drawing from our experience and expertise over the years, always, a successful project is the direct result from excellent planning, articulation and communication.

Our questionnaire is the establishing foundation to this process.

In completing this question, please take time to carefully consider your project and thoroughly answer and provide as much detail as possible. Advisably, all decision makers should be involved in the process of completing this form.
